On InfoTECH Spotlight, gain unrivaled visibility, strengthen your brand, collect fresh leads and nurture them

Reach a vast community of prospects and buyers seeking solutions. Use InfoTECH Spotlight to:

- Create your own robust online community and gain top SEO
- Grow your global market share
- Advertise on the daily resource for IT news, products and services
- Post your White papers, Podcasts and other premium content to generate highly qualified leads and augment your reputation as a thought leader and solution provider

Harness the power of the growing InfoTECH Spotlight audience with these resources:

Global Online Communities (GOCs)

Why pay per click when you can hold a very high - often the #1 - organic position on search engine results pages? Your custom-designed community on InfoTECH Spotlight, labeled with your select keywords, focuses on your specific market segment and carries only your online ads. These robust editorial platforms are built with layers of information in multiple media formats. It is regularly populated with exclusive content, attracting influential readers. Based on the tight focus of content and value of their resources, GOCs are routinely bookmarked by decision makers looking for news, product information, and partnership opportunities. See page 7.

InfoTECH Spotlight Channels

Become a search engine powerhouse! You virtually "own" optimized keywords to bring qualified prospects from major search engines to your fully customized page. A Channel is a powerful instrument to develop a community for professionals seeking specific information while it brings content about your company's products and solutions. Your Channel is capped with your leaderboard ad and only your marketing messages appear. See Page 8.

Space advertising on InfoTECH Spotlight

Grab the attention of thousands of visitors with Leaderboard, Skyscraper, Banner, Button, Page Curl, Ad Box and Splash Page ads. See Pages 11 & 12.

Webinars

Host a Webinar. Receive actionable, highly qualified leads from pre-registration, live event attendees, and post-event visitors who download the presentation from the InfoTECH Spotlight Archives. InfoTECH Spotlight provides experienced support every step of the way with this turn-key marketing tool to ensure your success. See Page 9.

White Paper Program

Your fresh ideas will generate fresh leads! Post your white papers on InfoTECH Spotlight and receive a steady flow of top quality leads. Not only will this enhance your company's reputation as a solution provider, it will also build brand awareness and generate leads at the time when a purchase is being considered. White papers are archived for 18 months.

Podcasts

Tell your marketing story to your best prospects and customers when it's convenient for them to listen. Podcasts provide your relevant information to a captive audience seeking IT technology ideas and solutions. Consider a podcast in another language to extend your reach into developing nations.

eNewsletters

Deliver your marketing message in a respected editorial vehicle with an extensive reach. See Page 9.

Global Online Communities (GOC's)

Your custom-designed resource does it all:

- Builds awareness with your robust online community
- Serves as the daily resource for news, product information and case studies in your market segment
- Achieves high - often top - organic search engine prominence
- Generates leads and nurture them with exclusive content
- Educates prospects with a dedicated biweekly eNewsletter
- Outperforms PPC ads for value
- Seamlessly integrate with your Web site

Global Online Communities have proven their value repeatedly. They deliver superior organic results on the leading search engines.

- **68%** of search engine users click results on the first page.¹ With the growth of mobile search, this number is likely to increase.
- **39%** of those conducting searches believe that companies whose Web sites are among top results are the leaders in their field.¹
- **3 out of 4 user "click-throughs"** from search engines to a Web site are the result of that site's optimized, organic search results, rather than a pay-per-click ad.²
- **71%** of clicks on PPC ads are navigational with the ad serving as an easy way to reach an already familiar Web site, rather than reaching new prospects.³

Community Building

Your GOC is dedicated to community building in your market segment by providing your target audience with extremely relevant, helpful content. Featured articles created solely for your GOC are discovered and virally spread over time, leading to larger numbers of targeted readers. More content attracts more readers which leads to more bookmarking and more link building.

Prime Real Estate

GOCs have the ultra-premium location at the top of the of InfoTECH Spotlight pages. This is the best positioning available on the world's leading communications and technology site.

More Content, More Visitors

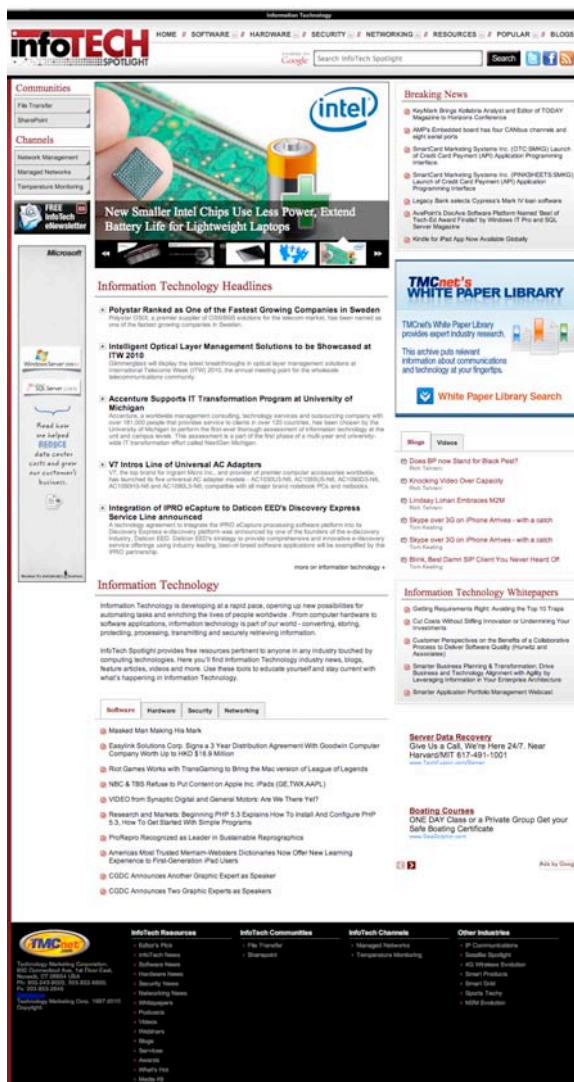

InfoTECH Spotlight editors publish at least 16 Featured Articles per week exclusively for your community. These articles highlight your company's products, services, applications, management, partnerships and other news. This amount of content brings a larger audience and increases search engine prominence. The depth of articles enables being found through long-tail searches. Within the first 6 months of launch, a GOC typically attracts 50,000 page views. Some GOCs gain 20x the traffic of the sponsor's own Web site.

True Multimedia Experience

A GOC is the ultimate way to position your company as the thought leader in your particular segment. They can post video demos and interviews, white papers, spec sheets and brochures, podcasts and more content. This additional content can be accessed when interested readers supply their demographic and contact data, giving your sales team fresh, actionable leads.

Obtain Excellent ROI

GOC sponsors renewal rate is 90%. GOC sponsors realize the superior SEO results, exclusive editorial content, customized design, biweekly eNewsletter and powerful reach of InfoTECH Spotlight delivers outstanding value in their marketing portfolio.

Webinars Program

Host your Webinars on InfoTECH Spotlight - A Highly Successful Lead Generator Our Experienced Team Makes It Seamless

InfoTECH Spotlight makes it easy for you to reach customers and impress your best prospects with a Webinar. Your Webinar is completely turn-key. Every step of the process is managed with the utmost professionalism.

Pre-Event: Our expert team handles all the marketing, promotion and registration. A veteran InfoTECH Spotlight editor is available to help you develop content.

During the Event: We provide the technology, utilizing the most effective conferencing software platform. We also offer an experienced InfoTECH Spotlight editor to serve as a moderator.

Post-Event: No detail is overlooked in the crucial wrap-up. We collect and forward actionable leads. We continue to promote the event online, and often in TMC magazines as well. The event is available in our Webinar Archive on InfoTECH Spotlight long afterward.

Webinars are typically one hour long. We also offer 90-minute events, since the Q&A period often prompts lively interaction.

Your event will deliver your message via streaming audio or telephone. A Power Point presentation provides accompanying visuals, making a content-rich learning experience.

Events are interactive. An experienced moderator makes the most of everyone's time, keeping the presentation on track. Then the moderator passes along questions of the featured speaker(s). Attendees are fully engaged in this Q&A session.
